

**PASSED – June 18, 2009**

**RESOLUTION ON TENLEY LIBRARY**

WHEREAS, the Board of Library Trustees has indicated its desire and its readiness to move forward with its fully-funded and approved stand-alone design for the Tenley-Friendship branch library; and

WHEREAS, it has been three months since Mayor Adrian Fenty promised the Ward 3 community that groundbreaking was imminent for the construction of an already long-delayed new stand-alone public library at Tenleytown; and

WHEREAS, the Board of Library Trustees is expected to submit contracts for construction of the new library to the DC Council this summer;

THEREFORE, BE IT RESOLVED that the Ward 3 Democrats urges the Mayor and the Council to move quickly to complete the contracting process for the new stand-alone library this summer so that groundbreaking can take place as early as September and avoid any additional and unnecessary delays in the construction of the new stand-alone library.
